Regional Transportation Coordination Council (RTCC) and Transit Coordination Access Project (TCAP) Application Process Using Logic Model Workplan

Michelle Lichtig | Project Manager
May 26, 2021
Phase 4 RTCC Applications:

- Arrowhead
- East Central
- Region 4
- Region 5
- Mid-Minnesota
- Northwest
- Headwaters
TCAP Application Process:

- Dakota
- NewTrax - Ramsey
- Washington
- Scott Carver
- Anoka
July – December 2020:

• **MCOTA Operations Work Team:** Explored options and determined a process to document upcoming applications for Phase 4 RTCCs/TCAPs workplan. The criterion was to have activities linked to indicators leading to outcomes. Jeff Niblack, MMB facilitated these discussions

• **MCOTA Operations Work Team:** Explored and determined to use logic model

• **MnDOT staff:** Identified 7 tasks to include in the Phase 4 RTCC and TCAP application logic model workplan
Application Tasks

- Transportation Guidance/Consultation
- Vehicle Sharing
- Private non-profit and for-profit providers engagement
- Volunteer Drivers Programs
- Staff Training
- Local Human Service Transit Coordination Plan
- Emergency Preparedness Facilitation
January:
